

BAMBOO GUMBOOT SOCK

GREEN LINE

FEEL THE DIFFERENCE

Bamboo Gumboot socks offer exceptional softness, moisture-wicking, and breathability, for optimal comfort, and effective temperature regulation.

FEATURES:

- Double cuff, high-stretch.
- Seamless toe construction for abrasion-free wear.
- Under arch ventilation panels support thermos-regulation of the feet.
- Mesh panel on the top of the foot helps moisture management during wear.
- Herculon® yarn is knitted into the heel and toe to reduce slippage, which can lead to heat blisters.
- Cushioned heel and toe for comfort and long-lasting wear.

Sizes: 6-10, 11-13
Codes: 1993, 1993/1

Available through your local rural retailer.

Wear the Bamboo Gumboot sock with the Greenline Gumboot and feel the difference.
